By signing below I agree to the following:

CONSIGNOR may choose to receive 50% of the retail sales paid by check or 60% of the retail sales as in-store credit or a combination of both. Checks are paid on or after the 10<sup>th</sup> of a month for the prior month's sales. Store credit may be used whenever you have enough to cover your purchases. Checks must be picked up from the store unless you have moved away from the area and set up a mailing account. Checks are not mailed out until there is at least \$30.00 credit. A \$1.00 fee is charged for mailing checks in the US. If you have an item on layaway, any credits will be applied to the layaway before you receive a check payment. Credits not used or claimed will be forfeited after one year.

Clothing left on consignment is on the racks a maximum of four months. Unsold items will be pulled and donated when their color tag system has expired or at season change. If you want any clothing items back they must be picked up prior to the pull date. While we can assist, you are responsible for finding your clothing items. Any clothing which is found to be ripped, stained or otherwise damaged may be donated immediately.

Furniture and household items left on consignment may be reduced in price at our discretion in order to sell them. We can make no guarantees as to selling price. Smaller items which have been in the store longer than four months may be donated or disposed of at our discretion. It is your responsibility to pick up any unsold items.

Please allow time for us to look at your consignment items so we may return any unwanted items to you. Unwanted items left at the store for longer than 24 hours will be donated and a charge of \$5.00 will be put on your account for us to dispose of them. Please clean or repair all items before bringing them in or a charge may be made on your account for work we do.

It is our expectation that items brought in for consignment will remain in the store for three to four months. Please make sure that you want to sell them before bringing them in.

Pieces makes every effort to maintain records and prevent loss or damage. However, Pieces is not liable for any loss whatsoever due to theft, loss or damage.
